Dear Mr. Chairman:

This letter notifies the committee of a repair project to be accomplished at General Leonard Wood Army Community Hospital, Building 310, Fort Leonard Wood, Missouri, with a total estimated funded cost of \$10,670,000 using Operation and Maintenance, Defense (OMD) funds.

This undertaking involves repair of failed or failing HVAC, utility systems, and water distribution systems in Towers A & B. This repair project is consistent with force structure plans, is more cost effective than replacement, and is an appropriate use of operation and maintenance funds.

Sincerely,
